*The principal objectives of KwaZulu Natal Dance Link are to build a broad and representative alliance of dance practitioners, choreographers, dance groups and dance organisations and supporters of dance in KwaZulu Natal, in order to articulate our interests and needs as a dance community and to promote dance as an expression of community and cultural values, to be a voice for dance, in part through the organisation of meetings, events, projects, performances, workshops, newsletters. Links to other dance networks in the country are in place. The organisation is as powerful and as active as its members make it. It is incorporated as a Section 21 Company, and is a voluntary organisation*
